Venue

Zuta kuća/Pučko otvoreno učilište,
Maršala Tita 12, Rovinj

Date

26 & 27/06/2024

Key numbers

1 & 1/4 days
Duration

31
Organizations

44
Participants

13
Thematic Projects

Goals & Objectives

Productive interactive sessions on topics, such as results amplification and synergic transfer,, policy and legislative frameworks, and communication empowerment.

Key Message

Engage together Scientific and Technical knowledge, a lever for change, to implement political measures with the aim to protect the Mediterranean ecosystems.

Main outcomes

Presentation of the amplification room and insight of the portfolio of services offered by the Mission.

Creation of a single map of activities and events, useful for establishing synergetic and cooperative exchange.

Mapping of the policy strategies taken into account by the TPs, as well as of the political impact they want to reach with their results.

Set the ground to work together on joint communication actions.

Remarks

- Introduction to the Mission’s Amplification room and portfolio of services
- Creation of a joint timeline of TPs and GPs activities and main events
- Discussion on the Mission’s communication strategy, highlighting the “Solve the Challenge” annual Campaigns

Next steps

- Engagement in the Mission’s Working Groups.
- Collaboration on the awareness campaign on nature restoration (second semester of 2024)
- Participation to the 2nd Annual Institutional Dialogue event (November 2024)
